Overview

The 2018/19 season started on Friday, 28th September 2018 and ended on Saturday, 4th May 2019. StarTimes signed in the league as the Title and Television Sponsor with a deal worth 7.24 Million USD for 10 years.

Soana FC changed its name to Tooro United FC and moved their home ground to Buhinga stadium in Fort Portal.

Fixtures. All 239 matches were played as per the fixtures with only one that was washed out due to hefty rain but was completed the following day. (Ndejje University FC Vs Onduparaka FC)

On-field performance. We can proudly say the league was more competitive and entertaining at both the Top and bottom of the table. In the 2017/18 season Vipers SC ended with 65 points compared to 2018/19 season where KCCA FC finished with 66 points. The relegation battle was decided on match-day 29.

Fan base. By observation there was an increase in the number of fans at SUPL matches. (These numbers were seen at Buhinga Stadium during the Tooro United home matches, Bar Okoro Stadium when Paidha Black Angels hosted their 1st home game as well as The Mighty Arena-Jinja SSS. As well, StarTimes Stadium in Lugogo featuring KCCA FC Vs Vipers SC, KCCA FC Vs SC Villa also recorded the highest number of fans.

Television. We recorded an increase in the number of matches that were televised live on Sanyuka TV. Seventy-five (75) matches were televised live as compared to Sixty-three (63) matches were televised in 2017/18 and fifty-one (51) in the 2016/17 season.

Monthly Awards. The coming on board of Pilsner Man of the match and Coach/Player of the Month sponsorship was a positive to the league. These awards started on Tuesday 20th November 2018 with each player selected receiving One Hundred Thousand shillings (100,000/=) and an accolade till the end of this season.
